

Name: _____

Test Date: **Tuesday 8/22**

- 1.) Explain what rights are protected by the 15th and 19th amendments. Why were these amendments important?

The 15th Amendment protects all men's right to vote, regardless of race. The 19th Amendment protects women's right to vote. These are both important because they gave new rights to groups who had never before had the right to vote.

- 2.) The founding fathers created a way for the Constitution to be changed, this is called the Amendment process. Below, list the steps in the amendment process to our Constitution.

1st: The idea must be proposed by two thirds of the states or by two thirds of the House AND Senate

2nd It must then be ratified (made law) by three fourths of the State Legislatures or by three fourths of the states at state conventions.

- 3.) The 5th amendment protects a citizen's right for "due process." What does the right of due process mean?

Due process means everyone gets fair treatment under the law.

- 4.) How can citizens participate in government?

Vote, contact officials to support or change a law, run for office

- 5.) Read the list of activities below. Highlight activities that are considered responsibilities for a US citizen.

driving a car	expressing your opinion	voting
paying taxes	running for office	attending a local religious service
owning a business	-serving on a jury	jury duty
obeying laws	attending school
